A weirdly moving PYRAMID

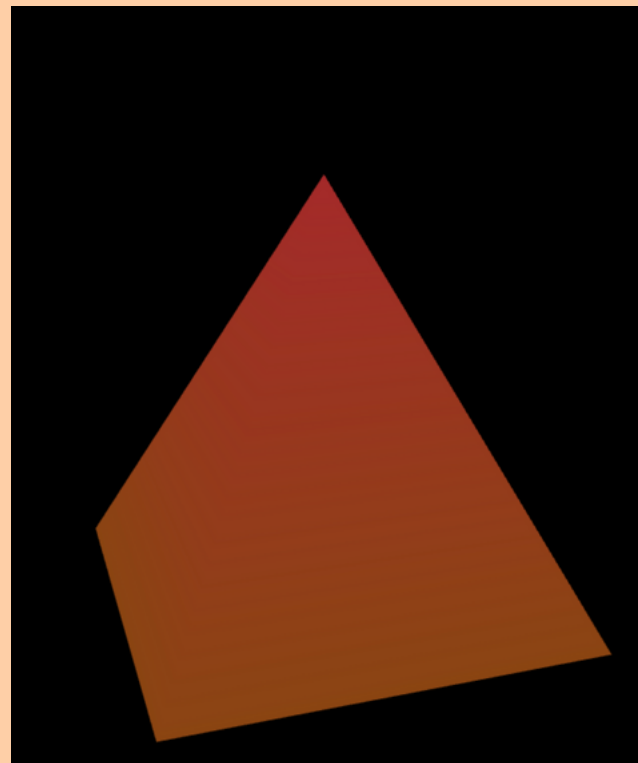

WHAT IS LIFE?

Life is a peculiar dance of strange and dynamic elements that surround us.. It's a journey filled with unexpected twists and turns, where we encounter both joy and sorrow, success and failure. In its essence, life is an enigmatic blend of chaos and order, constantly moving and evolving like the mysterious forces that govern the universe.

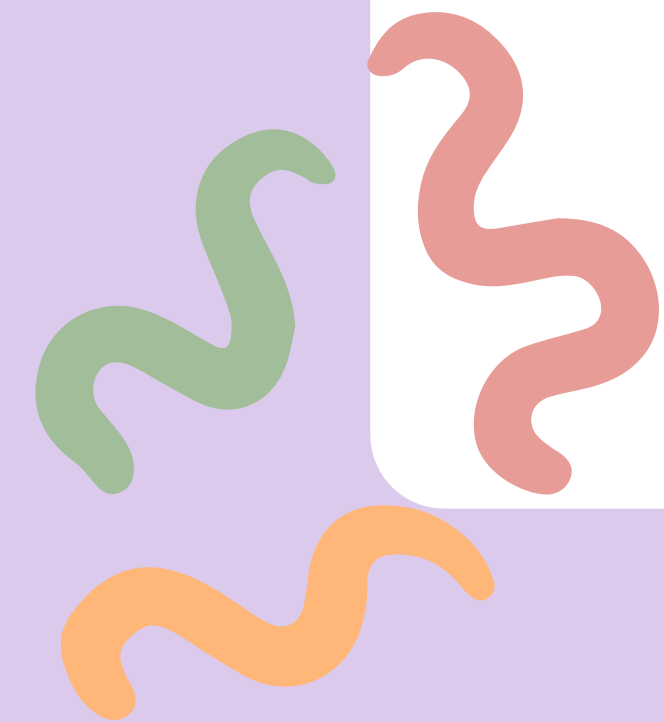

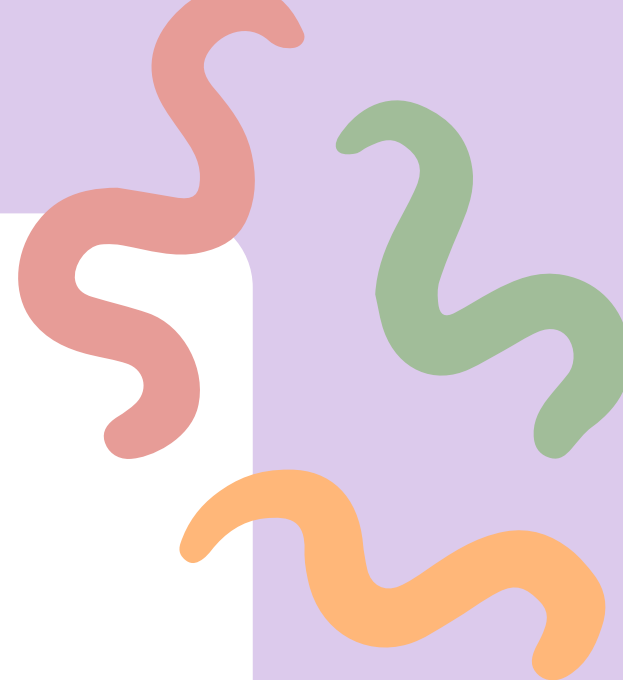

SO GUESS WHAT!!

PRESENTING A WEIRDLY MOVING TRIANGLE

MORE OF it...

PROJECT GOALS

This Pyramid is a lot like our life. Don't know what's happening around but still see that there is something and we feel like we are stuck in an INFINITE LOOP...

 **WAIT, THERE'S MORE**

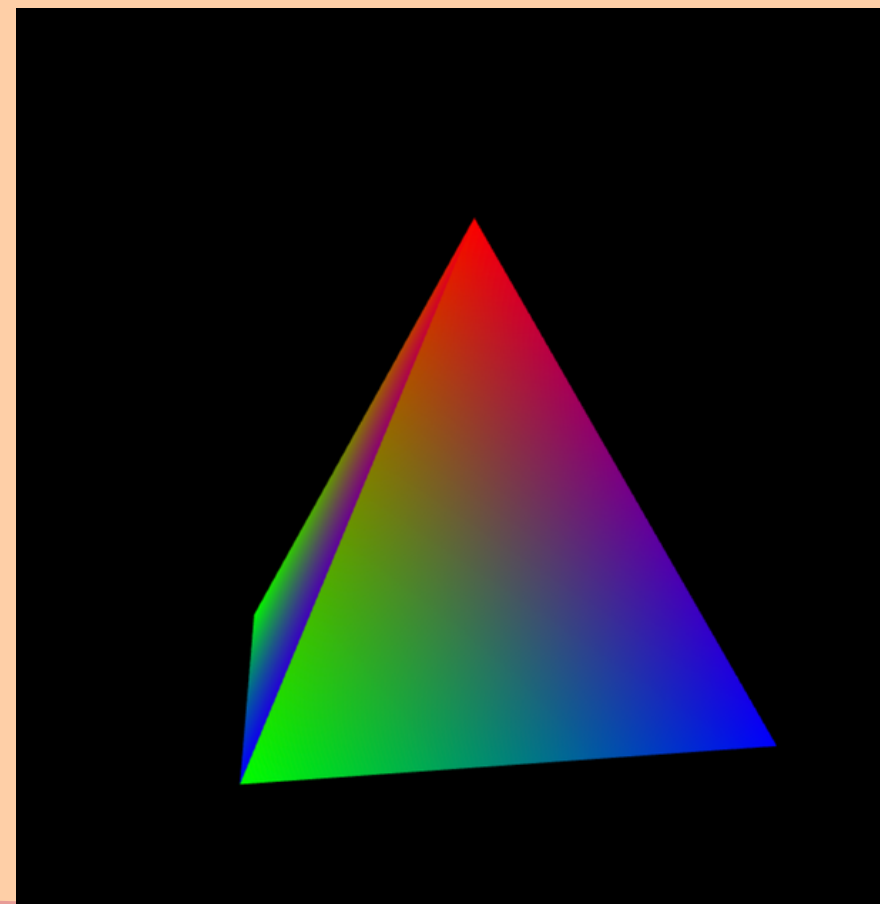

LIFE IS NOT JUST THAT,,,

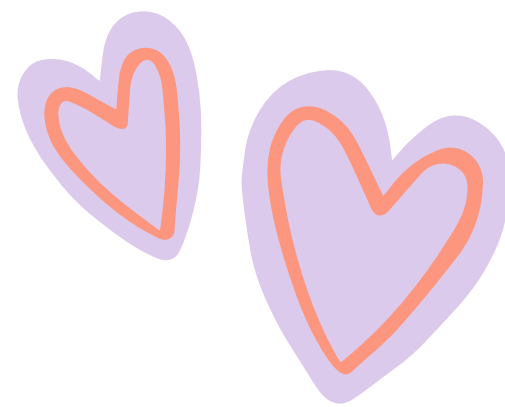

WAIT, THERE'S MORE

IT's Colorful TOO
